

Guidance for Wine Producer Permit Application

Terms and References

"Producer" means any person who, directly or indirectly, personally or through any agency engages in the making, blending, rectifying or other processing of wines in Louisiana. Producers may also sell their manufactured beverage at wholesale and at retail for consumption on or off the licensed premises.

Qualification Period

When the raw material (grapes, fruits, berries, or vegetables) are not available in sufficient quantities for the production of wines, a qualification period of four years shall be established in line with the issuance of a permit. The permit is issued only after showing that the person has planted or will plant within six months a sufficient amount of grapes, fruits, berries, or vegetables to meet the content requirement of fifty-one percent for wines within the qualification period.

During the qualification period, a person engaged in the production of wines:

- May operate as a producer of wines even though the bulk of raw grapes, fruits, berries or vegetables used in producing such wines are obtained outside this state.
- Obtain producer's permit (at an annual cost of \$50.00 for each permit issued) and provide bond required by R.S. 26:348 (\$5,000.00) prior to beginning production.
- Pay excise taxes imposed upon still wines rather than that imposed on wines during this period.

Provisions for Cash or Short-Term Credit Sales

Wine producers must sell, offer to sell, or deliver any alcoholic beverage to any wholesale or retail dealer in this state for cash or on terms requiring payment not later than the 15th day following that on which delivery is made. Retail dealers must buy or accept delivery of any such beverages on the same terms. If any payment is not made, the vendor immediately notifies the Office of Alcohol and Tobacco Control. The Alcohol and Tobacco Control Commissioner will then promptly notify all manufacturers and wholesale dealer in the state of the default and, thereafter, no person shall sell alcoholic beverage to the retailer in default except on a cash basis, until authorized to do so by the Commissioner.

A dealer who is in violation of this section may have their license suspended for up to five days for the first offense, and for up to thirty days for a subsequent offense. (L.R.S. 26:148)

A Note from the Louisiana Office of Alcohol & Tobacco Control

As the agency tasked with regulating alcoholic beverage and tobacco commodities, one of our main goals here at ATC is to promote awareness and understanding throughout the industry of the Alcoholic Beverage and Tobacco Laws and Regulations. As such, we feel that it may be helpful to provide you with a few commonly un-known or misunderstood provisions of law. Please read the following.

- Licensed Louisiana retail dealers of alcohol and tobacco products can only purchase their inventory from licensed Louisiana wholesale dealers.
- 6% price mark-up provisions apply to alcohol and tobacco products.
- Permits are issued per location address and only one alcoholic beverage permit can be issued to an address (i.e. you cannot have two classes of permits at one address).
- **Public habitable area** means publicly accessible space, within a structure, which is permanent in nature, is in compliance with applicable building codes, is fully enclosed and climate controlled.
- Employees selling or serving alcoholic beverage and tobacco products must obtain a Responsible Vendor Certification within 45 days of employment.
- Retail dealers are required to maintain alcoholic beverage and tobacco invoices as well as employee records on the licensed premise at all times.
- Managers must be registered and certified by ATC. It is important to supply a Schedule A on all appointed managers.
- ATC is authorized to accept documentation and provide information to anyone registered with a business. As such, it is imperative, for the safety your business information, to maintain current ownership and management records with ATC.
- Smoking is not allowed on any areas of a Class B, C (package stores), or AR premise (restaurant).
- Placing signs provided by wholesalers/suppliers outside your business is prohibited (this also includes utility items such as table umbrellas).
- The sale of single cigarettes is prohibited.

A complete copy of the Alcoholic Beverage and Tobacco laws and regulations can be downloaded from the ATC website at www.atc.la.gov. We are always happy to assist you with any questions or concerns at (225)925-4041. Additionally, we encourage you to help us promote responsible business practices by reporting violations of the alcoholic beverage and tobacco laws to our complaint line at (225)925-4070.
