

## Alcohol and Tobacco Control State of Louisiana

### Press Release ATC Announces Results of Downtown Lafayette Compliance Operation

November 25, 2013

Baton Rouge: The Louisiana Office of Alcohol & Tobacco Control (ATC) has concluded a three month undercover operation of alcohol establishments in and around the downtown Lafayette area resulting in the issuance of nearly sixty violations. Sixteen businesses were cited for forty combined violations ranging from sales to minors and illegal drug activity to operating without a valid alcoholic beverage permit. An additional thirty-seven violations were issued to employees of the businesses for selling alcoholic beverages to persons under twenty-one years of age.

Twenty-six businesses permitted by the ATC were called in by Commissioner Troy Hebert for a special briefing to discuss the severity and possible implications of the alleged violations. Information was provided on preventative measures in an effort to halt future violations and increase compliance with the alcoholic beverage control laws and regulations.

“Permits to sell alcoholic beverages are a privilege; not a right. ATC is taking a proactive stance towards the prevention of youth access to alcoholic beverage and tobacco products and ensuring that all businesses regulated by the Agency are operating safely and responsibly,” stated Hebert.

Administrative hearings will be held in Baton Rouge on the alleged violations. The businesses and servers face penalties ranging from fines up to suspension or revocation of their alcoholic beverage permits.
